**Which Would You Rather
Have Your Child In?**

Did you know that most traffic crashes happen near the home and at a low speed? Short trips, such as those to the supermarket, to school, or to the Post Office, are the most dangerous. The driver and ALL passengers in a car must ALWAYS wear their seat belts.

**Your Child Can't afford To Pay For
Your Negligence**

Learn how La Casa de Don Pedro can help educate you on these common questions regarding traffic safety:

- How do I properly install my child's Car Seat?
- What's the right size car seat for my child?
- Is my child ready for a Booster seat?
- What is the Penalty if my child is not in a Car Seat?
- Where can I get a Car Seat if I can't afford one?
